

GRASSINI

FAMILY VINEYARDS

2018 AFIORA ROSÉ

Comprised entirely of Cabernet Sauvignon from our estate in Santa Ynez, we've fondly named this wine "Afiora," as a tribute to Afiora Grassini. Afiora and her husband, Articondo, were the first of the Grassini family to leave Pisa, Italy to start a new life in America.

Our Afiora is a rosé that is made with intention. We chose the vineyard blocks and picked the grapes specifically with this rosé project in mind. Once picked, the grapes were allowed limited maceration time – one evening soaking on the skins was all that was needed to achieve this beautiful salmon hue.

Aromas of fresh strawberry, cherry, rose petals, and a hint of dried grass greet the nose and offer a welcoming introduction to this lovely wine. Notes of raspberry, white peach, ripe nectarine and tart blackberry lace the palate.

Clean, crisp, and refined; light, but complex, this lovely rosé ends with a wonderful lingering finish, leaving you wanting another sip.

Afiora Grassini loved bringing her friends and family together to share great meals together, and our rosé is meant to be enjoyed with your loved ones!
