2018 RESERVE CABERNET SAUVIGNON

We carefully selected only the best barrels in our cellar to be blended into this cuvée. We feel that our 2018 Reserve Cabernet Sauvignon truly exemplifies characteristics of a classic Cabernet Sauvignon: full-bodied with bold fruit, rustic charm, and an impeccable balance of acid and tannin.

This wine opens with enticing notes of dark chocolate and vanilla, which beautifully balance the notes of dark cherry and worn saddle leather. Flavors of boysenberry and plum greet the palate, along with distinct traces of blackberry and cocoa. This wine is rich, decadent, and refined, and truly epitomizes luxury in a glass! The finish is long and silky, and the flavors continue to unfold and coat the palate with each subsequent sip.

Full bodied and complex, this wine will not only pair with a variety of meals, but it is also sure to be the star of the meal!
