## FAMILY VINEYARDS

### 2020 ESTATE CABERNET SAUVIGNON

We always remark that in 2020, the vines had no idea what was going on in the world around them. While our world was pivoting and ever-changing, the grapevines just stuck to the business of producing phenomenal grapes! The nose on our 2020 Estate Cabernet Sauvignon is truly beautiful and holds the promise of good things to come. Opening with notes of plum, wild blueberry and cherries coated in dark chocolate, the aromas are captivating. The dark fruit notes that greet the nose progress into lingering aromas of sage, cedar, vanilla and worn leather.

This wine brings up memories of tucking into a captivating leather-bound book in a dusty library with sunlight filtering through the windows... you're ready for an imaginative adventure! Rich in flavor, this Cabernet is textured with notes of blackberry, black currant, and ripe plum, along with a whisper of smooth milk chocolate. Dense and concentrated, the mid-weight palate is velvety and nuanced, with a decadent, well-rounded mouthfeel. The finish is firm and luxurious and leaves you ready for an immediate second sip.

The grapes used for this wine come from the south facing hillside just behind our winery. When we harvested for this vintage, the grapes were big and juicy with thick skins, lending this Cabernet Sauvignon immense flavor and a beautiful tannic structure. The focused flavors and bright acid perfectly balance with the elegant tannins, producing a full-bodied yet refined wine. Our Estate Cabernet Sauvignon continues to enchant us with its ability to gracefully age in bottle; this 2020 vintage is luscious already at such a young age and will continue to unfold its layers and develop complexities over the years to come.
